Instructions:

Start/finish: New Delight pub, Colden (bus stop):

Head south up the hill to Blackshaw Head.

At Blackshaw Head follow round to right along Long Causeway.

Stay on Long Causeway for just under 3 miles, then turn left down Mount Lane. **If you miss this turn you'll end up in Burnley...**

Follow all the way down – once you get to the houses near the bottom the road doglegs left but it's pretty obvious.

Turn left down Burnley Road towards Tod.

Follow as far as Tod Cricket Club, then turn left up Victoria Road. This is the first left after the zebra crossing by the park. **Don't go all the way into the town centre.**

Follow this all the way round to Halifax Road near the Shell garage – it becomes Stansfield Hall Road after the railway bridge, then ends up as Hallroyd Road by the time you go back over the railway bridge with the traffic lights.

At Halifax Road, turn left then immediately left up Cross Stone Road (remember this?)

Go straight through Cross Stone (i.e. don't turn left up towards the golf club) and follow all the way along and up the hill to the top.

Turn right and head down past the Great Rock and all the way round to Blackshaw Head.

Retrace your steps down to the New Delight.
